CIMP AND THE MICROPALAEONTOLOGICAL SOCIETY  
PALYNOLOGY GROUP

KEYWORD, NOTTINGHAM, UK – 3<sup>rd</sup>–7<sup>th</sup> SEPTEMBER 2017

## *SECOND CIRCULAR*

The 50<sup>th</sup> annual meeting of AASP – The Palynological Society will be held at the British Geological Survey (BGS), Keyworth, Nottingham NG12 5GG between the 3<sup>rd</sup> and 7<sup>th</sup> of September 2017. This will be the seventh time our main yearly meeting has been held in Europe, and the third occasion it has taken place in the UK.

This conference is held jointly with CIMP and The Micropalaeontological Society (TMS) Palynology Group. The team of convenors look forward to welcoming you to the headquarters of BGS for this three-day meeting with the opportunity to participate in two one-day field trips to widely geologically contrasting areas of the East Midlands of England. We hope to make this annual meeting extra special because it is the 50<sup>th</sup> such event! This is the second circular and it will be updated frequently.

The conference accommodation will be in several city centre hotels in downtown Nottingham. Delegates will be transported to BGS HQ, and returned back to the city centre each day by bus, and as part of the registration package. BGS is located in the large village of Keyworth which is ca. 7 km south of central Nottingham. Other public transport solutions are also available. Morning tea, lunch and afternoon coffee are also all included in the registration package.

If you would like to offer any workshops, offer sponsorship etc., please get in touch with any of the members of the organising committee. We hope to welcome you to Keyworth for the Golden Anniversary meeting in 2017!

A packed lunch will be supplied. The cost of this excursion is £25, payable with the main registration.

An icebreaker event will be held from 19:30 h in a nearby trendy/funky bar in central Nottingham. Registrants will receive two free drink vouchers, and nibbles will be available.

**Monday, 4<sup>th</sup> September:** This will be the first day of the conference. Laid on buses will depart from the St James Hotel at 08:15 h. We plan to include at least one presentation on the history of AASP. Following the scientific sessions, delegates are invited to a drinks reception at BGS. This is included in the registration package and will feature local Nottingham beers (other drink solutions will be available!) and nibbles. Buses will return delegates to Nottingham.

**Tuesday, 5<sup>th</sup> September:** This will be the second day of the conference. Buses will depart from the St James Hotel at 08:15 h. The same vehicles will return delegates to Nottingham.

In the evening, we will hold a conference dinner at a venue to be announced. The cost of this will be £30, payable with the main registration. We hope to book the Long Room at the legendary Trent Bridge cricket ground immediately south of Nottingham. Trent Bridge is widely held to be the most beautiful of all our cricket stadia, and has witnessed many famous tussles between England and our distinguished pantheon of cricketing adversaries from around the world. We are investigating possible guest speaker(s).

The cost of this excursion is £25, payable with the main registration.

### 3. TRAVELLING TO NOTTINGHAM (AND BACK)

All UK residents will be fully aware that the fair city of Nottingham is one of the most accessible in the country, being situated in the centre of England and slap bang on major road and rail links. See <http://www.experiencenottinghamshire.com/nottingham>.

Overseas visitors can fly to Birmingham, East Midlands, London or Manchester airports. Any of the several London airports are absolutely fine. All these airports allow for efficient rail travel to Nottingham except for the most local one, East Midlands (EMA). If you go to EMA, take a cab/taxi or bus (Nottingham Skylink; see <https://www.trentbarton.co.uk/services/skylinknottingham/welcome>) to Nottingham.

Long haul travellers are most likely to arrive at Heathrow or Gatwick airports in London. In this case, simply take the rail shuttle (Heathrow or Gatwick Express) to central London and head on the metro/underground for St Pancras mainline station (this is at Kings Cross/St Pancras metro/underground station). From St Pancras, frequent and fast trains will whizz you to Nottingham in just a couple of hours. If you have any questions about travel to Nottingham, email Jim ([jbri@bgs.ac.uk](mailto:jbri@bgs.ac.uk)).

### 4. ACCOMMODATION

We recommend that you use either the St James Hotel, Rutland Street, Nottingham, NG1 6EB (<http://www.stjames-hotel.com/>) or the Premier Inn Nottingham City (Chapel Bar), 7 Chapel Quarter, Maid Marian Way, Nottingham NG1 6JS (Tel: 0871 527 9658; or see <http://www.premierinn.com/gb/en/hotels/england/nottinghamshire/nottingham/nottingham-city-centre-chapel-bar.html>). These are “nice but not too pricey” city centre hotels very close to great bars, historic sites, restaurants etc. They are both reasonably priced.

There are no group rates available at the Premier Inn so the best way to book is online; please do ensure you book their Chapel Bar Hotel – there are two other Premier Inns in Nottingham.

However, other accommodation is of course available; there are many hotels and apartments in the city including representatives of the major well-known chains such as Ibis, Jurys Inn, Park Plaza, Premier Inn, Ramada, Strathdon, Travelodge etc. Check out the respective websites.

## 5. LOCAL TRAVEL

Travel between central Nottingham to BGS is provided, but we appreciate you might need to go your own way. The village of Keyworth is located around seven miles (~10 km) south of central Nottingham. A cab/taxi will cost around £15 one way. Other public travel solutions are also available. From Nottingham, you can catch a bus to Keyworth, the *Keyworth Connection* (<https://www.trentbarton.co.uk/services/keyworthconnection/maps-and-times>), which runs from the Broadmarsh Bus Station in central Nottingham. This bus route travels via Nottingham railway station, through the suburb of West Bridgford and on to Keyworth. A single journey costs around £3 and takes about 25 minutes, depending on traffic.

## 6. THE SCIENTIFIC PROGRAMME

Delegates may submit abstracts from now. The deadline is Monday, 10<sup>th</sup> July 2017. You may submit oral presentations (15–20 minutes) or present a poster. Please email abstracts to [jbri@bgs.ac.uk](mailto:jbri@bgs.ac.uk) and [janh@bgs.ac.uk](mailto:janh@bgs.ac.uk). Please use Times New Roman 12 point font, single-spaced, left justified, no more than ~1000 words, include keywords, and also provide your affiliation, address and email.
